

Heading to HLTH in a couple of weeks? On Monday, May 7 at 4:30pm, hear Clay Richards, CEO at naviHealth, discuss the “Status of Value Based Revenue.” This session will deliver the facts and explore the necessary expertise and tools that support the achievement of value-based revenue and associated quality outcomes. We’re looking forward to seeing you there! To learn more about HLTH, visit [here](#).

Can’t make it to Vegas? Watch out for updates on [Twitter](#) and [LinkedIn](#).
